Article 3: Scope

i.....5. All athletes are subject to doping controls (urine analyses, blood tests and other authorized techniques for detecting Prohibited Substances or Methods).

6. Notwithstanding the obligations of other participants to comply with the provisions of the Code, it is the personal responsibility of any athlete subject to the provisions of this Code to ensure that he/she does not use or allow the use of any prohibited substance or any prohibited method.

7. No athlete shall be allowed to compete in his/her national championships, nor shall a member nominate an athlete to a WDSF-granted competition, unless and until such athlete agrees to subject him/herself to out-of-competition testing by both the Member and the WDSF.
